## **Government Confirms Big Foot**

Arlington, Massachusetts

April, 2013

For years, the local Arlington and Boston communities have seen Big Foot all over town, but the Federal Government has finally confirmed its existence. Big Foot Moving & Storage, Inc. has been awarded a GSA Schedule 48 contract and are now certified to provide transportation, delivery and relocation services to the Federal Government. Acknowledging the growth in federal spending through the General Services Administration (GSA), Big Foot Moving & Storage has placed their moving, packing and storage services on the government's electronic ordering system, [GSA Advantage](#).®

“Now that Big Foot Moving & Storage is a confirmed GSA schedule holder, we'll be able to pursue additional contracts that will allow us to hire more people in the community that we serve. So yes, it's a big deal that the Federal Government has confirmed Big Foot,” says Mike Bavuso, CEO/President of Big Foot Moving & Storage, Inc. “We are proud to be a part of the community and to have the opportunity to continue to hire locally.”

“Everyone in the area has known about Big Foot – they see Big Foot everywhere. But when the Federal Government confirmed Big Foot, we knew it would mean big things for the company and our community,” says Tyler, a long time Big Foot Moving & Storage, Inc. employee. “I look forward to our first contract award under the GSA schedule – I know it was a long process for Mike to go through, and I'm glad it's done.”
