

**COMMUNITY SERVINGS** is a not-for-profit food and nutrition program providing services throughout Massachusetts to individuals and families living with critical and chronic illnesses. Appealing, nutritious meals are delivered at home for Community Servings Clients, their dependent families, and caregivers to **send the message to those in greatest need that someone cares**. Thanks to our generous sponsors, more than 90 cents of every dollar raised from "Pie In the Sky" will provide nutritious meals delivered at home to neighbors with HIV/AIDS, cancer, heart disease, and other life-threatening illnesses.

**One \$30 Pie = One Week of medically-tailored meals delivered at home for our critically ill neighbors**

*Pies are donated by the most generous restaurants and bakers in greater Boston*
